

2004 NATIONAL SPECIALTY

On Friday October 8th our 3rd Hunt Test was held at the Amwell Valley Conservatory in Stockton NJ..we had 7 braces with 13 IR&WS running. Three R&Ws qualified. Armagh O'Dobhailien owned & handled by Bob Devlin from MN, Dalriach Alchemy owned by Anna Jones from NJ & yours truly & handled by Anna & Robi Lee Sky Walker owned & handled by again yours truly. The remaining R&Ws did the breed proud as for most this was their first time running with some training & more experience will do just fine in the future. The main idea was to have fun which we all did. Qualifying scores go toward an Association Hunt Test title.

On Saturday the 9th our National Specialty was held at the home of IR&WSA members Deanna & Phil Cuchiaro in White House Station NJ..The grounds were simply beautiful, with a lake were some of the dogs went swimming after the show. Beautiful flowers everywhere. The weather was perfect & it was great meeting everyone. Our Breed Judge was Pat Brigden & our Sweepstakes Judge was Terri Depietro.
